

Dear Camp Parents,

This summer, Camp Caribou will continue to implement the service of **CampMeds Inc.** to dispense and package all of your child's medication for camp. Camp families are **required** to register for the service of **CampMeds** if your child will need **medicine on a daily or as needed basis** while at camp. **This includes prescription, non-prescription meds and vitamins.** Medication in pill form will be dispensed by our pharmacy and individually packaged, sealed and sorted according to day and time of administration. Each packet will be labeled with your child's name, medicine, dosage, date and time to be given. Medication in non pill form (liquids, inhalers, etc), will also be dispensed. Our system ensures that each camper receives their correct medicine at the correct time. All medicine will be shipped directly to camp prior to your child's arrival.

What you need to do: Register on www.CampMeds.com (you may register prior to obtaining prescriptions)

1. Note your ID number you will receive when registered. Print out receipt from registration.
2. Obtain original prescriptions **written for 30 day increments.** Write ID number on top corner of each prescription. ***Do not send us the medication, only the written prescriptions.**
3. If your child is staying over 30 days, prescriptions must be written with refills. Unused meds will be sent home from camp
4. **For Controlled Substances:** If your child is staying longer than 30 days, law requires a new prescription to be written for each 30 day supply. No refills and only 30 days worth of meds should be written on the prescription. **Two separate 30 day prescriptions are required.** Send all prescriptions together.
5. Prescriptions are filled as written. It is your responsibility to confirm all prescriptions are written exactly how (daily or as needed) and when your child takes the medication. Please refer to the FAQ's for details.
6. Non-prescription meds/vitamins; physician's authorization or clear directions written by parent is required.
7. Include a copy of both sides of your insurance/prescription card.
