

Whitewater Rafting Permission Slip  
Summer of 2008

Dear Caribou Parents:

For the past 26 summers, Caribou has been offering Rafting trips on the Kennebec River to campers in the older age groups. The service has become quite costly, and as a result, there is a need to charge the parents half of what Maine Whitewater charges Camp Caribou. This opportunity is being offered to all **first session/full season campers** who have completed the 7th through 9th grades.

The cost to you for the first session rafting trip is \$50 per son. If you would like your son(s) to go rafting this summer, kindly fill in the section below in addition to the Magic Falls Rafting Company release form on the back of this sheet. Please return it to our winter address.

It is a terrific trip and most of the campers who are eligible do take advantage of this experience!

Best regards,

Bill and Martha Lerman

Yes, I would like my son(s), \_\_\_\_\_  
to go rafting this summer. I understand *I will be* or *have been* invoiced \$50.00 per  
eligible son.
